CONTROL

CONTROL

**City of Anaheim,
California**

"We have about 183 sworn personnel who are trained in the use of the OPN... In my 22 years in law enforcement, I have never seen a more effective device that is also so versatile."

Ray D. Welch, Lieutenant
Watch Commander

**City of San Diego,
California**

"All of our officers have been trained and issued OPN's... The OPN's are accessible, and used often to diffuse situations and to control individuals."

Chris Ellis, Lieutenant
Training & Development

OPN PRODUCT INFORMATION

The OPN III is constructed of high impact durable polycarbonate black plastic, with a double quarter inch solid diamond braid nylon cord. The OPN III has installed on each portion a highly durable foam rubber grip. Weighs only 16 ounces including a carrying case. Available in either top grain leather or nylon. All techniques with the OPN are presented in a color instruction video tape. A lifetime warranty is offered on each unit.

Hillsborough, California

"This OPN system has been so incredibly thought out and organized. Kevin Orcutt has a real teaching gift. I feel lucky to have been instructed by the master / inventor. The OPN is the future of law enforcement."

Steven Gonzales,
Police Officer
Hillsborough Police Dept.

Oklahoma Council Law Enforcement Education and Training

"This course is certainly dynamic. It gives officers of all ages, gender, ability, physical size or shape, a tool that is immediately workable, effective and resilient in terms of control. It is presented in a clear and concise fashion.

This is no gimmick! The OPN and training process is one of the best programs I've ever witnessed, much less participated in.

We'll be using it in Oklahoma."

Vince O'Neill,
D. T. Coordinator
Chief Instructor Oklahoma

City of New Albany, Indiana

"Throughout my 18 years as a law enforcement officer and trainer, I have taught Defensive Tactics and Expandable Batons. Now as a Level II OPN Instructor, I teach the ultimate controlling tool for law enforcement officers. Officers have more leverage and better control in tougher situations, while lowering the "Use of Force" for law enforcement."

Steven Gonzales,
Police Officer
Hillsborough Police Dept.
